

Permanent Driving Permit Summit Technology Academy

Student: _____

Note: Each participating school district provides bus transportation for their students attending Summit Technology Academy. All students are expected to use this mode of transportation. However, a student may have a legitimate need to drive himself/herself. Upon approval of the Home School Administrator and the STA Director, a student-driving permit may be issued, at a parent's request. If you feel that your son/daughter has a legitimate need to provide their own transportation to the STA and agree to the conditions outlined below, please complete this form.

Please allow my son/daughter permission to drive to and from Summit Technology Academy for the following reason(s):

If permission is granted for my son/daughter to drive, I agree to the following conditions:

1. Operation of the car in a safe and prudent manner.
2. Transportation of other students will not occur, unless specific permission has been granted.
3. To notify STA of any change in the original reason given for requesting my driving permit.

If any of these conditions are not followed, either the Home School or STA administrator may revoke the permit.

The above mentioned student's parent has requested permission to provide his/her own transportation to and from Summit Technology Academy. If you agree that the student has a legitimate reason to drive, please sign the form in the space provided. It is understood that either the Home School or STA may revoke the permission to drive if there is just cause.
